Career Objective

I am a passionate, detail-oriented, and goal-driven third-year Software Development student at KCA University with a strong foundation in programming, web and mobile development, and database management. With hands-on experience using the Odoo ERP platform, I aim to leverage my skills to deliver scalable, efficient, and innovative IT solutions. I am eager to gain professional industry experience, enhance my technical and problem-solving capabilities, and contribute to dynamic teams that drive digital transformation and operational efficiency.

Education

Bachelor of Science in Software Development

KCA University – Nairobi, Kenya

Expected Graduation: December 2026

Data Science Course (In Progress)

PLP Africa Academy – Nairobi, Kenya

Kenya Certificate of Secondary Education (KCSE)

Sironga Girls High School – Nyamira, Kenya

Graduated: April 2022 | Grade: B+

Kenya Certificate of Primary Education (KCPE)

Kisindi Primary School – Homa Bay, Kenya

Year: 2018 | Marks: 365

echnical Skills
